

40 Days of Prayer & Devotion to Easter

Day 6

Today this verse speaks to me of great encouragement and direction!

Consider the fact that we are God's workmanship, created with great love and as an individual! We are created by the One who spoke into existence this universe and our world, and He knows you by name for you are His handywork! To me that is an incredible thought to ponder! Sometimes we would do well to take a step back and consider just how great is God's love for us and then rejoice in that fact!

Second, we need to realize that not only are we a special creation, but we are a creation with a purpose! We are told that our purpose is found in Christ Jesus where He is working through us for good works! Your works and my works will have areas of overlap, but each of us have our own special opportunities and responsibilities! Have you ever considered that you will meet people that will not cross the path of a pastor on a regular basis? You will have opportunities to tell others about Christ that I will not! You have been created for good works and you are that important!

Third, I think it is good to consider that God prepared this work for us in advance so that we would walk in them. In other words, God has a plan for our lives, and if we choose to walk according to that plan, we will have peace and joy regardless of what we may have to face in this life! We can rest in the amazing work that God has for us!

For we are His
workmanship,
created in Christ
Jesus for good
works, which
God prepared
beforehand so
that we would
walk in them.
