

# HOSPITALITY

“Offer hospitality to one another without grumbling.”  
1 Peter 4:8

## MONTHLY CHALLENGE:

Each week in June, be intentional about inviting someone who doesn't know Jesus to join you in a hobby or activity you already enjoy. Whether it's a walk, a game, a class, or a shared interest, the aim is to connect through meaningful, consistent time spent together outside of a church setting. These natural, recurring moments of fun and connection can help deepen your relationship, and may open the door to gospel conversations down the road.

## INSPIRATION:

- Who can I invite into something I already enjoy doing?
- Who in my circle might have fun trying a hobby with me?
- What shared activity could help us connect more naturally?
- Can I join them in something they enjoy as a way to bond?
- Could I offer to cover the cost if money is a barrier for them?
- How can I make the invitation feel thoughtful and relaxed?
- Where might a casual conversation lead to deeper truth?
- How can I use our time together to reflect Christ's love?

## I'M PRAYING FOR:
